INDEX CORPORATE ACTIONS CALENDAR FILES

The Euronext Index Corporate Actions Calendars are comprised of three different types of calendar files, namely:

- EICC : carry next day corporate actions information (i.e. effective on T+1)
- EICCF: carry forthcoming corporate actions information (i.e. effective date > T+1)
- EICCD: confirms divisor changes that will be effective on T+1 pursuant a corporate action

The Index Corporate Actions Calendar files cover the indices listed in the “EICC files Coverage” tab included in the document named “Euronext Index Data Products - List of indices covered”*

Note: the files can be provided empty when there are no upcoming corporate actions to announce.

INDEX REVIEW/REBALANCE NOTICE FILES

The Index Review/Rebalance Notice Files carry the updated composition for the indices listed included in the document named “Euronext Index Data Products - List of indices covered”*. The “Index Review XLS Coverage” tab of that document includes a list of indices for which the review/rebalance notice file is available in XLSX format (see review file templates [here](#))

DIVISOR UPDATE (RESULTING FROM REVIEWS) NOTICE FILES (NEW SECTION)

Available from 19 February 2024

The Divisor Update Notice files carry the new divisors resulting from index reviews. Prior to 19 February 2024, this information was provided in the form of Other Index Notices.

Note: the files can be provided empty when there are no divisor updates to announce.

OTHER INDEX NOTICES

The Other Index Notices are used to announce index divisor updates following reviews, rule book changes, free float information and client consultations.

* The “Euronext Index Data Products - List of indices covered” is available [here](#) (under Data Coverage section)

Users are advised to read the Index Announcement Policy available [here](#).

2. DELIVERY SCHEDULE

2.1 INDEX CORPORATE ACTIONS CALENDAR FILES

The EICC and the EICCF files are created/distributed daily according to the Euronext trading calendar*. There is no pre-defined time for the creation/distribution of these files, hence the files can be delivered one time or multiple times between 16h00CET and 19h00CET on any Euronext trading Day.

The EICCD files are created/distributed one business day before any divisor change pursuant to a corporate action is effective.

2.2 INDEX REVIEW/REBALANCE NOTICE FILES

The Index Review/Rebalance notice files are published in general two days prior to any index review effective date. There is no pre-defined time for the creation/distribution of the review notice files, hence the files can be delivered at any time between 18h00CET and 22h00CET on a Euronext trading day.

For further detail, please refer to the Euronext index rule books available on <https://live.euronext.com/en/products-indices/index-rules>

2.3 DIVISOR UPDATE (RESULTING FROM REVIEWS) NOTICE FILES (NEW SECTION)

Available from 19 February 2024

The Divisor Update Notice Files are published following the index reviews. Prior to 19 February 2024, this information was provided in the form of Other Index Notices.

For further detail, please refer to the Euronext index rule books available on <https://live.euronext.com/en/products-indices/index-rules>

2.4 OTHER INDEX NOTICES

The Other Index Notices can be created/distributed on any Euronext trading calendar.

* The Euronext holiday schedule is available on <https://live.euronext.com/resources/trading-hours-holidays>.
