

DATA SOLUTIONS

Further to [previous announcements](#) related to changes to the Euronext DataShop SFTP service **effective on 08 July 2024**, Euronext offers clients the possibility to test their connection processes with cryptographic algorithms which will remain supported from that date.

To do so, clients are required to connect to the following test SFTP using their Data Shop SFTP credentials:

- URL: `sftp.test.euatnr.euronext.cloud`
- PORT: 22

IMPORTANT NOTES REGARDING TEST PERIOD:

The test platform will **only be available between 18 June 2024 and 08 July 2024**.

Clients are advised **not to change their Data Shop SFTP credentials during the test period** as that will prevent their access to the test platform.

REMINDER REGARDING CHANGES EFFECTIVE 08 JULY 2024:

The following **cryptographic algorithms will no longer be supported** for the communication with our SFTP server:

- aes128-cbc
- aes192-cbc
- aes256-cbc
- diffie-hellman-group17-sha512
- diffie-hellman-group15-sha512
- hmac-sha1
- hmac-sha1-etm@openssh.com

The list of cryptographic algorithms which will remain supported is available in the Data Shop SFTP Guide available here: <https://connect2.euronext.com/en/data/client-specifications>

The **URL, PORT and IP addresses** of the Data Shop SFTP **production service** will remain unchanged.

SUPPORT

Should you have any questions, please contact us at serviceoperations@euronext.com.

Kind regards,
Euronext Data Solutions Team
