- 5.4 If the Contracting Party and/or its Affiliates are, in connection to the CFD Use of Information, also engaged in other Use of Information, the Contracting Party must obtain also the appropriate licences for that Use, for which the reporting and payment obligations will apply accordingly.
- 5.5 The Contracting Party will not be required to obtain a licence for the Contracting Party's and its Affiliates' CFD Use of Delayed Information.

- 5.9 Where the Contracting Party does not provide Euronext with an amended Order Form within 3 (three) months of a change in its CFD Use and/or CFD White Label Services, Euronext may in case of over-licensing, assume the invoiced CFD Use Fees to be accepted by the Contracting Party and retain any of the Fees invoiced.

EDSA AUDIT POLICY

Version 2.0 - Applicable from 1 January 2019

1. DEFINITIONS

All capitalised terms used but not defined herein will have the same meaning as defined in the EDSA General Terms and Conditions.

2. SCOPE

- 2.1 Euronext is entitled to Audit the Contracting Party and its Affiliates (“**Audited Party**”) upon providing 30 (thirty) days’ prior written notice (including by e-mail), stating the intention to Audit and including an outline of the Audit (“**Audit Notification**”). A shorter notice period can be given where Euronext has good reasons to suspect breach of the Agreement by the Audited Party.
- 2.2 Audits will be conducted on a routine basis not more than once within 3 (three) years within the same scope (“**Regular Audits**”).
- 2.3 If Euronext reasonably believes the Contracting Party is materially breaching the Agreement, Euronext may also conduct extra Audits (“**Extraordinary Audit**”) in addition to the Regular Audit, to be decided in its reasonable discretion. Grounds for an Extraordinary Audit include, but are not limited to, discrepancies in the Order Form or an incomplete Order Form. In case of Extraordinary Audit Euronext can shorten the notice period.
- 2.4 The Audit will be performed by employees and/or contractors of Euronext and/or third parties instructed by Euronext (“**Audit Team**”).
- 2.5 In case the Audited Party objects to a specific third party or a specific employee and/or contractor of such third party to perform the Audit on behalf of Euronext, and it has reasonable cause to do so (i.e. in case of a compliance issue or conflict of interest issue with such third party), Euronext will either perform the Audit itself or instruct another third party or another employee and/or contractor of the third party to perform the Audit.

3. AUDIT PURPOSE

- 3.1 The Audit Team examines if the correct remuneration has been paid to Euronext, it identifies possible sources of errors and it recommends solutions to reduce any future errors occurring. This can involve the verification and assessment of the controls and procedures surrounding Use of Information (entitlement and permissioning) and the Order Form the Audited Party is obliged to submit.
- 3.2 Both Euronext and the Audited Party shall co-operate to ensure that the purpose of the Audit is achieved with minimum disruption to the business operations of any parties involved.

4 AUDIT SCOPE

- 4.1 The scope of an Audit includes the Audited Party's Use of Information. The Audit will also cover any unauthorized as well as erroneous onward dissemination of or provision of access to Information. An Audit may cover all Information Products received by the Audited Party via a third party.
- 4.2 The Audit Team may examine all means of communication, systems, Devices and applications that receive and use Information, in addition to the procedures, processes and systems, such as Entitlement Systems, that control the release of and/or provision of access to Information solely for the purpose of verifying compliance with this Agreement.

However, in case of a delay caused by the Audited Party not meeting the preparation requirements (as described in clause 6.5 of this Policy) and/or cooperation requirements (as described in clause 6.7 of this Policy), Euronext may extend the Audit Period with a period equal to the number of days the Audit was delayed.
- 4.5 The Audit Period will not reach back more than 3 (three) years from the date the Audit Notification was sent .

- (a) delivery of the relevant (parts of) agreements, records and information for the purpose of a review and analysis at the site of Euronext or the third party instructed to conduct the Audit; and
 - (b) remote demonstrations of systems (b) and applications such as through video conferencing, online meetings, presentations and/or screen sharing and webinars.
- 5.2 After the Audit notification the Audit Team may still at any time decide to conduct the Audit (in whole or in part) at the premises of the Audited Party ("**On-Site Audit**") without the need for a new Audit Notification. The Audit Team will provide the Audited Party 2 (two) weeks' notice of such change.
- 5.3 Euronext may occasionally announce an On-Site Audit (in whole or in part) to identify and locate the sources of errors in the Order Form.
- 5.4 In case of an On-Site Audit the Audited Part ensures that the Audit Team will have access to the premises of the Audited Party and/or any other premises at which the Audited Party accesses, receives and/or Uses the Information and that are on the basis of which proper performance of this Agreement may be ascertained. Any On-Site Audit will be conducted during normal business hours.
- 5.5 If the Audited Party requires Euronext to change a Remote Audit, as announced by Euronext in the Audit Notification, into an On-Site Audit, all reasonable additional costs resulting from such change will be at the expense of the Audited Party.
