- 10.2 The Contracting Party's payment obligation of the Fees starts as of the first day of the calendar month in which the Use of the relevant Information Product has commenced, and subsequently, every calendar month of each calendar year. Euronext shall invoice the applicable Fees every calendar month of each calendar year, unless an exception is specified in the Information Product Fee Schedule.
- 10.3 The Fees will be paid in Euro to the bank account specified by Euronext. All Fees shall be exclusive of any value added tax or any local withholding taxes arising from the Agreement for which the Contracting Party shall remain liable.

- 10.4 All invoices in respect of the Fees shall be paid within 30 (thirty) days of the date of the invoice. Any overdue amounts may, in Euronext's reasonable discretion, accrue an interest equal to 1% (one percent) per calendar month or any part thereof. Furthermore, all judicial and extra judicial costs will be entirely for the account of the Contracting Party. Any outstanding amounts owned by the Contracting Party at the default date will become immediately payable, regardless of the method of payment.
- 10.5 Euronext may adjust the Fees of the Information Products and/or the basis of calculation of the Fees from time to time by giving the Contracting Party prior written notice in accordance with clause 15.4. Such adjustment will take effect from the first day of a calendar month. If the Contracting Party does not accept such adjustments to the Fees, it has the right to terminate the Agreement from the date such adjustments go into effect.
- 10.6 In addition to adjusting the Fees of the Information Products and/or the basis of calculation of the Fees, Euronext may introduce new Information Products, including Fees for such Information Products and update the Information Schedule and/or Information Product Fee Schedule to reflect such introduction, providing the Contracting Party notice of such update in accordance with clause 15.5.

11. INTELLECTUAL PROPERTY RIGHTS

- 11.1 The Intellectual Property Rights of whatsoever nature in the Information shall be and remain vested in Euronext or its licensors.
- 11.2 Subject to clause 11.1, the Intellectual Property Rights in Original Created Works created by the Contracting Party and/or its Affiliates shall vest in the Contracting Party and/or its Affiliates as the case may be.
- 11.3 Euronext represents that the Contracting Party's and Affiliates' Use in accordance with the terms and conditions of the Agreement will not infringe the Intellectual Property Rights of any third party.
- 11.4 The Agreement does not involve the transfer of any Intellectual Property Rights.
- 11.5 If the Contracting Party and/or its Affiliates wish to make use of the trademarks of Euronext, a separate licence agreement needs to be concluded. The Contracting Party and/or its Affiliates shall not use or register any trademark which is identical or similar to any trademark of Euronext or its Affiliates, whether registered or unregistered.

12. INDEMNITY AND LIABILITY

- 12.1 Euronext shall indemnify the Contracting Party and its Affiliates against all direct losses, damages and expenses (including reasonable legal fees) incurred by the Contracting Party arising out of any justified claim that the Use of the Information in accordance with the Agreement by the Contracting Party and/or its Affiliates infringes the Intellectual Property Rights of any third party.
- 12.2 In the case of any claim as described in clause 12.1 of these EDSA General Terms and Conditions, Euronext will where possible and at its own expense, promptly:
- a) procure for the Contracting Party any required licence, consent or authorisation necessary to permit the Contracting Party and/or its Affiliates to Use the Information in accordance with the terms and conditions of the Agreement;

- b) modify or replace, or procure the modification or replacement of, any part of the Information which is necessary to ensure that the Use of the Information no longer infringes such third party rights;
 - c) remove the relevant content from its Information Product(s) immediately; or
 - d) terminate the Agreement immediately if the right to continue to Use the Information cannot reasonably be procured. In the event of such termination, Euronext shall promptly refund to the Contracting Party any prepaid Fees paid direct to Euronext on a pro rata basis.
- 12.3 Except as expressly provided for in clause 12.1 of these General Terms and Conditions, all warranties and representations expressed or implied are hereby excluded and Euronext shall be under no liability to the Contracting Party and/or its Affiliates for any loss, damage, cost, claim or expense howsoever arising whether or not caused by the negligence of Euronext, its officers, employees, agents or representatives, save that Euronext will accept liability without limitation for fraud, gross negligence or wilful misconduct.
- 12.4 Euronext shall not be liable for any losses, damages, costs, claims and expenses howsoever arising:
- a) from mechanical or electrical or telephone breakdown or power failure or malfunction of any computer and/or data transmission or receiving apparatus and/or auxiliary equipment or any other cause beyond the reasonable control of Euronext;
 - b) from any error or omission in the collecting, recording, processing, storing, making available for supply or supplying of the Information unless caused by the gross negligence or wilful misconduct of Euronext; and
 - c) from unauthorised access to MyMarketData or any other misuse of MyMarketdata, unless caused by the gross negligence or wilful misconduct of Euronext.
- 12.5 Except as expressly provided for in the Agreement, the aggregate liability of Euronext to the Contracting Party and its Affiliates under the Agreement whether for negligence, breach of contract, any indemnity, misrepresentation or otherwise shall not exceed an amount equal to the total (inclusive of value added tax) of Fees paid to Euronext by the Contracting Party over the preceding 12 (twelve) months prior to the circumstances giving rise to the claim in respect of the Agreement.
- 12.6 Neither Party will be liable to the other for any indirect, special or consequential loss or damage arising out of the Agreement.
- 12.7 Neither Party will be liable to the other for any loss of profit, business revenue or goodwill or loss of data arising out of the Agreement.
- 12.8 Neither Party shall be liable or be deemed to be in default under the Agreement for any failure to perform its obligations hereunder, arising directly or indirectly from events or circumstances beyond its reasonable control (including without limitation governmental orders or restrictions, war, war-like conditions, hostilities, civil insurrection, sanctions, mobilisations, blockade, embargo, detention, revolution, riot, looting, strikes or lock-outs to which the Party claiming benefit of the force majeure event is not a party, plagues or other epidemics, fire, flood, thunderbolts and other acts of God).
- 12.9 If a force majeure event occurs as described in clause 12.8, the Party not being able to perform its obligations due to force majeure will inform the other Party as soon as practicably possible.
- 12.10 If such circumstances as described in clause 12.8 continue for more than 14 (fourteen) days, either Party may terminate the Agreement immediately on notice.

13. AUDIT

- 13.1 Euronext is entitled to Audit at its expense the Contracting Party and its Affiliates in accordance with the Audit Policy.
- 13.2 The Contracting Party shall be required to keep adequate accounting and entitlement records with respect to the Use of Information by it and its Affiliates. The Contracting Party undertakes to keep all relevant records required under the Agreement, including but not limited to entitlement records, for a period of 5 (five) calendar years.
- 13.3 If an Audit reveals that there has been an underpayment of Fees in respect of the period covered by the Audit, then the Contracting Party shall pay such underpayment of Fees to Euronext. If the underpayment of Fees is more than 10% (ten percent), then (i) an interest equal to 1% (one percent) per calendar month or any part thereof calculated from the date that the underpaid Fees were due and (ii) the reasonable cost of such Audit (including travel and accommodation costs upon the presentation of a receipt), shall be paid by the Contracting Party. All Audit invoices shall be paid within 30 (thirty) days of the date of the invoice.

14. CHANGES

- 14.1 Euronext reserves the right to unilaterally change or update the Agreement, subject to providing the Contracting Party prior written notice in accordance with clause 15. In the event that the Contracting Party cannot accept the new conditions, it shall be entitled to terminate the Agreement by prior written notice to Euronext to take effect from the date such change or update is implemented by Euronext.

15. NOTICES

- 15.1 All notices relating to the Agreement will be sent in written or electronic form, including by registered post or registered email, fax or delivered in person to the addresses specified in the Order Form or to such other addresses as may be notified by either Party to the other. Notices sent by registered mail or registered e-mail will be deemed to be received on proof of delivery. Contacts and authorised representatives of the Parties are mentioned in the Order Form.
- 15.2 It is the Contracting Party's responsibility to ensure that its contact details in the Order Form are accurate and up to date.

16. DATA PROTECTION

- 16.1 Terms in this article that are not defined in the Agreement shall have the meaning stated in Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation) (“GDPR”).
- 16.2 In the framework of the Agreement Euronext processes, as a Controller, Personal Data provided to it by the Contracting Party and its Affiliates.
- 16.3 In order to inform the concerned Data Subjects about the Processing of their Personal Data, the Contracting Party and/or its Affiliates shall explicitly refer the Data Subjects to the privacy statement of the Euronext Group on the website of Euronext accessible at:
<https://www.euronext.com/en/privacy-policy>.
- 16.4 By executing and sending the signed Agreement, the Contracting Party confirms that it and its Affiliates have referred the relevant Data Subjects to the privacy statement of the Euronext Group.
- 16.5 The Contracting Party represents and warrants that these data are at all times collected, processed and provided to Euronext in accordance with all applicable law and regulation, including without limitation those relating to the protection of individuals with regard to the processing of personal data.

17. CONFIDENTIALITY

- 17.1 Each Party acknowledges that Confidential Information may be disclosed to it under the Agreement. Each Party undertakes to hold such Confidential Information in confidence and not, without the consent of the other, disclose it to any third party nor use it for any purpose other than in the performance of the Agreement.
- 17.2 The Parties undertake to ensure that their Affiliates, employees and subcontractors comply with clause 17.1.
- 17.3 This obligation of confidentiality will not apply to Confidential Information that has become generally available to the public through no act or omission of the receiving Party and/or its Affiliates, or becomes known to the receiving Party and/or its Affiliates through a third party with no obligation of confidentiality, or is required to be disclosed by law, court order or request by any government or regulatory authority.
- 17.4 No public announcement, press release, communication or circular (other than to the extent required by law or regulation) concerning the content of the Agreement will be made or sent by either Party without the prior written consent of the other. Neither Party will have any obligation to consent to any public announcement, press release, communication or circular.
- 17.5 Without prejudice to any other rights or remedies of either Party, both Parties acknowledge and agree that damages would not be an adequate remedy for any breach of the provisions of the Agreement and that the Party that is of the opinion that this clause 17.1 has been breached shall be entitled to seek the remedies of injunction, specific performance and other equitable relief for any threatened or actual breach of any such provision by the breaching Party, and no proof of special damages shall be necessary for the enforcement of the rights under the Agreement.
- 17.6 The Information is not Confidential Information.

18. GOVERNING LAW

- 18.1 The Agreement and any non-contractual obligations arising out of or in connection with it will be governed by the laws of The Netherlands.
- 18.2 The courts of The Netherlands have exclusive jurisdiction to settle any dispute arising out of or in connection with the Agreement.

19. GENERAL PROVISIONS

- 19.1 The Agreement constitutes the entire understanding of the Parties with regard to the subject matter hereof and it supersedes all proposals, representations or prior agreements, whether oral or in writing, relating to the Use of the Information. Each Party acknowledges that it has not been induced to enter into the Agreement (except in the case of fraud) by any representation, warranty or undertaking not expressly incorporated in it.
- 19.2 The Agreement will only be valid if executed in the English language. In case the Agreement is translated into another language this is for information purposes only and only the English version shall be binding upon the Parties.
- 19.3 If any part of the Agreement that is not fundamental is found to be illegal or unenforceable, this will not affect the legality or enforceability of the remainder of the Agreement.
- 19.4 Euronext may assign the Agreement, in whole or in part, to a Euronext Affiliate upon prior written notice (including by email) to the Contracting Party.
- 19.5 The Contracting Party may assign the Agreement only in whole, including all its past, present and future rights and obligations, to an Affiliate upon prior written notice (including by email) to Euronext, if the Affiliate replaces the Contracting Party as if such Affiliate had been the original contracting party as of the Commencement Date of the Agreement.
- 19.6 Except as provided for in clause 19.4 and 19.5, neither Party may assign any right or obligation of the Agreement without the prior written consent of the other, such consent not to be unreasonably withheld, conditioned or delayed.
- 19.7 Failure or delay by either Party to exercise any right or remedy under the Agreement will not be considered as a waiver of such right or remedy nor as an acceptance of the event giving rise to such right or remedy. Any waiver under the Agreement shall only be effective if made in a written instrument signed by (a) duly authorized representative(s) of the Party to be bound thereby.
- 19.8 Nothing in the Agreement will create or be deemed to create a partnership or agency relationship between the Parties.

20. TERM AND TERMINATION

- 20.1 The Agreement will enter into force on the Commencement Date and will continue to be in force until terminated by either Party giving the other Party not less than 3 (three) months prior written notice (including by email) at any time to be effective at the end of a calendar month.
- 20.2 Notwithstanding clause 20.1, either Party may terminate the Agreement immediately in the event of:
- a) any material breach of the Agreement by the other Party which is incapable of remedy or, if capable of remedy, is not remedied within 30 (thirty) days of written notice being given by the other Party requiring it to be remedied; or
 - b) (i) a moratorium of payment of debts is granted to the other Party or (ii) insolvency of the other Party; or
 - c) any proceedings, whether voluntary or involuntary, being instituted for the winding-up of the other Party or for the appointment of a receiver.
- 20.3 If the Contracting Party materially breaches the Agreement and the material breach is either incapable of remedy, or is capable of remedy, but not remedied within 30 (thirty) days of the written notice being given by Euronext requiring it to be remedied, Euronext may immediately suspend the provision of Information in whole or in part, without being liable, until the breach is remedied. Euronext shall be entitled to, in its sole and absolute discretion, determine whether a material breach of the Agreement has occurred.
- 20.4 Notwithstanding termination of the Agreement pursuant to this clause 20, the Contracting Party and/or its Affiliates shall have the right, without further obligation to Euronext, to continue using in perpetuity the Information acquired during the Term of the Agreement and to use it for any of the Licensed Purposes set out in the Agreement, except if such material breach is related to the non-payment of Fees for such Licensed Purposes.
- 20.5 Termination of the Agreement shall not affect the accrued rights or liabilities of the Parties arising out of the Agreement as at the date of termination and all clauses which are expressed to survive the Agreement or which by implication do so shall remain in full force and effect.

21. SUPERSEDING EXISTING AGREEMENTS

- 21.1 Upon the Commencement Date of the Agreement, the Agreement shall automatically supersede, replace and automatically terminate, in its entirety and with immediate effect any Non-Display Use declaration.

22. SURVIVAL

- 22.1 Clauses 3, 4, 7, 11, 12, 15.1, 16, 18, 19, 20.4 and 22 of these EDSA General Terms and Conditions survive termination of the Agreement.
- 22.2 Clause 13 of these EDSA General Terms and Conditions survives termination of the Agreement for 3 (three) years following such termination.
- 22.3 The confidentiality undertaken under clause 17 shall survive the termination of the Agreement for 5 (five) years following such termination.

EDSA POLICIES

EDSA USE POLICY

Version 6.1 - Applicable from 1 April 2023

1. DEFINITIONS

All capitalised terms used but not defined herein have the same meaning as defined in the EDSA General Terms and Conditions.

2. SCOPE

- 2.1 This EDSA Use Policy, which forms part of the EDSA, applies to the Contracting Party's Internal Use of Information.
- 2.2 The Contracting Party and/or its Affiliates are entitled to Use the Information Products detailed in the Order Form solely for the Licensed Purposes and subject to the terms and conditions of the Agreement.
- 2.3 Should the Contracting Party and/or its Affiliates wish to Use other Information Products, or to Use Information for purposes other than the Licensed Purposes, the Contracting Party must provide Euronext with an updated Order Form at least 10 (ten) business days prior to such Use.
- 2.4 The Contracting Party and its Affiliates will ensure that an Access ID is required for all Use of Information by Users and Devices of the Contracting Party and its Affiliates. The allocation of Access IDs should represent the applicable Unit of Count as described in the Subscriber Terms and Conditions. An Access ID can be, but is not limited to, a "username". As example, an Entitlement System could use a host name, IP address, or MAC/network address as an Access ID. Only a suitable, correct and complete application procedure (e.g., registration by username and password) ensures that solely the registered User and/or Device can use the Access ID.
- 2.5 The Contracting Party shall provide Euronext with a list of all its and its Affiliates' Information Suppliers (including Managed Non-Display Providers) in the Order Form. The Contracting Party shall notify Euronext promptly via the Order Form of any changes to such list of Information Suppliers.

3. DISPLAY USE OF THE INFORMATION

The Contracting Party's and its Affiliates' Use of Information must be reported to Euronext indirectly via the respective Information Supplier(s) in accordance with the Subscriber Terms and Conditions. Euronext will invoice the applicable Display Use Fees indirectly via the Information Supplier. The Subscriber Terms and Conditions can be viewed, downloaded and printed in full via the internet at

www.euronext.com/en/market-data or can be sent to you by email upon request.

4. NON-DISPLAY USE OF THE INFORMATION

- 4.1 The Contracting Party and its Affiliates are entitled to engage in the Non-Display Use of one or more Information Products, including the Managed Non-Display Use, subject to the Contracting Party obtaining the appropriate licence for such Use via the Order Form and paying the applicable Non-Display Use Fees as defined in the Information Product Fee Schedule in accordance with the Agreement.
- 4.2 The Contracting Party is required to obtain a licence for each Information Product in each category of Non-Display Use the Contracting Party and its Affiliates are engaged in. The categories of Non-Display Use are outlined in the Information Product Fee Schedule. If Contracting Party and/or its Affiliates engage in multiple categories of Non-Display Use on a single Device, the Contracting Party shall obtain licences for each category of Non-Display Use.
- 4.3 The Contracting Party will not be required to obtain a licence for its and/or its Affiliates' Non-Display Use by Devices that solely support or facilitate the display and/or Internal Use of Information.
- 4.4 Depending on the Information Product, the Contracting Party will be required to obtain a licence for its and/or its Affiliates Non-Display Use of Delayed Data and After Midnight Data, if and as indicated in the Information Product Fee Schedule.
- 4.5 Where the Contracting Party does not provide Euronext with an amended Order Form within 3 (three) months of a change in its Non-Display Use, Euronext may in case of over-licensing, assume the invoiced Non-Display Use Fees to be accepted by the Contracting Party and charge and/or retain any of the Fees invoiced.
- 4.6 Euronext may at any time request the Contracting Party to confirm via the Order Form that (i) its and its Affiliates' information and Non-Display Use licences are correct and up to date and/or (ii) that it and its Affiliates do not engage in Non-Display Use of Information. If such confirmation is not provided within 1 (one) month of such request, Euronext may assume the Contracting Party and its Affiliates to be engaged in the Non-Display Use of all Information that it is Using and invoice all applicable Non-Display Fees accordingly.

5. CFD USE OF THE INFORMATION

- 5.1 The Contracting Party and/or its Affiliates are entitled to engage in the CFD Use of 1 (one) or more Information Products, subject to the Contracting Party obtaining a licence for such Use via the Order Form and paying the applicable CFD Use Fees in accordance with the Agreement.
- 5.2 If the values or prices for trading in instruments on the CFD Platform(s) constitute Original Created Work, the Contracting Party is required to obtain the applicable CFD licences (Basic CFD Licence Fee and CFD User Fee) for its and its Affiliates' CFD Use of each relevant Information Product.
- 5.3 If the values or prices for trading in instruments on the CFD Platform(s) constitute Information, the Contracting Party is required to enter into an EMDA with Euronext.

- 5.4 If the Contracting Party and/or its Affiliates are, in connection with the CFD Use of Information, also engaged in other Use of Information, the Contracting Party must obtain also the appropriate licences for that Use, for which the reporting and payment obligations will apply accordingly.
- 5.5 The Contracting Party will not be required to obtain a licence for the Contracting Party's and its Affiliates' CFD Use of Delayed Data and After Midnight Data.
- 5.6 The Contracting Party and its Affiliates are entitled to engage in the provision of CFD White Label Services to CFD White Label Service Clients, subject to having disclosed each of these services in the Order Form and pre-approval by Euronext, such acceptance not to be unreasonably withheld.
- 5.7 If any of the values or prices for trading in instruments tradable on the CFD Platforms constitute Information, Euronext will refuse approval for a CFD White Label Service if the Contracting Party is not party to an EMDA.
- 5.8 If any of the values or prices for trading in instruments tradable on the CFD Platform constitute Original Created Works, Euronext reserves the right to refuse approval for a CFD White Label Service if it believes, in its sole discretion, that the proposed CFD White Label Service does not adequately satisfy all of the below criteria:
- a) for display systems, the branding of the CFD Platform is that of the CFD White Label Service Client; and
 - b) the entitlement of Users to the CFD Platform, and values or prices for trading in instruments tradable on the CFD White Label Service, are controlled by the Contracting Party or its Affiliates; and
 - c) the Contracting Party declared each CFD white label (i.e., each CFD White Label Service with a single commercial brand or identity) on its Order Form; and
 - d) the Contracting Party must prohibit the CFD White Label Service Client to provide the values or prices for trading in instruments tradable on the CFD White Label Service to any person other than the Users entitled by the Contracting Party and its Affiliates; and
 - e) the Contracting Party accepts all liabilities, damages and losses resulting from the CFD White Label Service Client's violation of any of the terms and conditions set out in the Agreement; and
 - f) the Contracting Party pays the applicable Basic CFD Licence Fee, CFD White Label Fees and CFD User Fees, as defined in the Information Product Fee Schedule, in accordance with the Agreement.
- 5.9 Where the Contracting Party does not provide Euronext with an amended Order Form within 3 (three) months of a change in its CFD Use and/or CFD White Label Services, Euronext may in case of over-licensing, assume the invoiced CFD Use Fees to be accepted by the Contracting Party and charge and/or retain any of the Fees paid.
- 5.10 If the Contracting Party can and will provide (auditable) records/proof of the number of Active Users (as defined below) on Euronext's request, including during an Audit, the Contracting Party may base its selection of the CFD Use Licence on the number of Active Users. For the purpose of this paragraph an Active User is defined as a User who during a particular month at one time held a position in an instrument where the value or price is calculated based on Real-Time Data and constitutes an Original Created Work.

If a User has multiple accounts the Contracting Party is allowed to net these accounts with regard to the CFD Use Fees, if it demonstrates that the account belongs to the same User. A Contracting Party needs to take into account all active accounts for CFD Use Fees if this is not the case.

If the Contracting Party can provide proof, including during an Audit, that it already pays the Display Use Fees for a particular User for the relevant Information Product, this User does not need to be taken into account for the CFD Use Licence for the respective Information Product.

6. EMERGENCY INFORMATION FACILITIES

6.1 The Contracting Party and its Affiliates are entitled to maintain one or more EIF Sites.

6.2 Fees for the Use of Information at such EIF Site will be waived, provided that:

- a) the Information is not simultaneously Used at the Contracting Party's and/or its Affiliates' normal business site and the EIF Site, except in the event of periodic testing of such EIF Site;
- b) the number of Users and Devices with the ability to Use Information at the EIF Site is lower than or equal to the number of Users and Devices at the normal business site as reported by the Contracting Party;
- c) the Contracting Party already pays the applicable Fees for the Use of Information at the Contracting Party's and its Affiliates' normal business site; and
- d) the Contracting Party must report the EIF Site in the same manner as clause 3 of this Policy and under separate Information Product codes specified by the Information Supplier.

EDSA AUDIT POLICY

Version 7.1 - Applicable from 1 April 2023

1. DEFINITIONS

All capitalised terms used but not defined herein will have the same meaning as defined in the EDSA General Terms and Conditions.

2. SCOPE

- 2.1 Euronext is entitled to Audit the Contracting Party and its Affiliates (“**Audited Party**”) upon providing 30 (thirty) days’ prior written notice (including by e-mail), stating the intention to Audit and including an outline of the Audit (“**Audit Notification**”). A shorter notice period can be given where Euronext has good reasons to suspect a breach of the Agreement by the Audited Party.
- 2.2 Audits will be conducted on a routine basis not more than once every 3 (three) years relating to the same scope (“**Regular Audits**”).
- 2.3 If Euronext reasonably believes the Contracting Party is materially breaching the Agreement, Euronext may also conduct extra Audits (“**Extraordinary Audit**”) in addition to the Regular Audit, to be decided in its reasonable discretion. Grounds for an Extraordinary Audit include, but are not limited to, discrepancies and inaccuracies in the Order Form or an incomplete Order Form. In case of Extraordinary Audit Euronext can shorten the notice period.
- 2.4 The Audit will be performed by employees and/or contractors of Euronext and/or third parties instructed by Euronext (“**Audit Team**”).
- 2.5 In case the Audited Party objects to a specific third party or a specific employee and/or contractor of such third party to perform the Audit on behalf of Euronext, and it has reasonable cause to do so (i.e., in case of a compliance issue or conflict of interest issue with such third party), Euronext will either perform the Audit itself or instruct another third party or another employee and/or contractor of the third party to perform the Audit.

3 AUDIT PURPOSE

- 3.1 The Audit Team examines if the correct Fee has been paid to Euronext, it identifies possible sources of errors and it recommends solutions to reduce any future errors occurring. This can involve the verification and assessment of the controls and procedures surrounding Use of Information (entitlement and permissioning) and the Order Form the Audited Party is obliged to submit.
- 3.2 Both Euronext and the Audited Party shall co-operate to ensure that the purpose of the Audit is achieved with minimum disruption to the business operations of any parties involved.

4 AUDIT SCOPE

- 4.1 The scope of an Audit includes the Audited Party's Use of Information. The Audit will also cover any unauthorized as well as erroneous onward dissemination of or provision of access to or Use of Information. An Audit may cover all Information Products received by the Audited Party via a third party.
- 4.2 The Audit Team may examine all means of communication, systems, Devices and applications that receive and Use Information, in addition to the procedures, processes and systems, such as Entitlement Systems, that control the release of and/or provision of access to or Use of Information solely for the purpose of verifying compliance with the Agreement.
- 4.3 The Audit Team may examine all records, procedures, processes and systems relevant to the Audited Party's Use of Information including, but not limited to, entitlement records, inventory management records and employee (cost allocation) records for the purpose of verifying compliance with the Agreement.
- 4.4 Subject to clause 4.5, the period over which the Audited Party is audited may be up to 3 (three) years and will be specified in the Audit Notification ("**Audit Period**"). However, in case of a delay caused by the Audited Party not meeting the preparation requirements (as described in clause 6.5 of this Policy) and/or cooperation requirements (as described in clause 6.7 of this Policy), Euronext may extend the Audit Period with a period equal to the number of days the Audit was delayed.
- 4.5 The Audit Period will not reach back more than 3 (three) years from the date the Audit Notification was sent.

5 AUDIT LOCATION

- 5.1 In general, the Audit takes place at the premises of Euronext or the third party instructed to conduct the Audit ("**Remote Audit**") and the Audit Team shall for that purpose be entitled to require from the Audited Party:
- a) delivery of the relevant (parts of) agreements, records and information for the purpose of a review and analysis at the site of Euronext or the third party instructed to conduct the Audit; and
 - b) remote demonstrations of systems and applications such as through video conferencing, online meetings, presentations and/or screen sharing and webinars.

- 5.2 After the Audit Notification the Audit Team may still at any time decide to conduct the Audit (in whole or in part) at the premises of the Audited Party (“**On-Site Audit**”) without the need for a new Audit Notification. The Audit Team will provide the Audited Party 2 (two) weeks’ notice of such change.
- 5.3 Euronext may occasionally announce an On-Site Audit (in whole or in part) to identify and locate the sources of errors in the Order Form.
- 5.4 In case of an On-Site Audit the Audited Party ensures that the Audit Team will have access to the premises of the Audited Party and/or any other premises at which the Audited Party accesses, receives and/or Uses the Information and where compliance with the Agreement by the Audited Party may be ascertained. Any On-Site Audit will be conducted on business days and during normal business hours.
- 5.5 If the Audited Party requires Euronext to change a Remote Audit, as announced by Euronext in the Audit Notification, into an On-Site Audit, all reasonable additional costs resulting from such change will be borne by the Audited Party.

6 AUDIT NOTIFICATION, PREPARATION AND PLANNING

- 6.1 The Audit Notification will include the scope of the Audit, including but not limited to, the Audit Period, commencement date, products, procedures, Audit location and a list of all (parts of) agreements, (application) overviews, records and information the Audited Party is required to provide to Euronext.
- 6.2 The Audit Team will only request (parts of) agreements, records and/or information that are necessary to verify compliance with the Agreement.
- 6.3 Following the Audit Notification Euronext will contact the Audited Party by phone or email to confirm the details of the Audit.
- 6.4 The Audited Party may request within 2 (two) weeks of the date of the Audit Notification in writing (including by email), a deferment of the commencement date of the Audit up to a maximum of 90 (ninety) days, to be granted by Euronext in its reasonable discretion.
- 6.5 The Audited Party will prepare the Audit by:
 - (a) identifying, collecting centrally and making available, in a manageable format, for inspection by the Audit Team, all (parts of) agreements, records (including but not limited to the Audited Party’s entitlement records and records of an accounting, technical or other nature) and other information in relation to its receipt and use of the Information, and requested in the Audit Notification, prior to the commencement date of the Audit; and
 - (b) ensuring that sufficient resources are made available for the complete duration of the Audit (such as relevant staff, records and equipment) in order to analyse, discuss and clarify outstanding issues.
