1 INTRODUCTION

The Financial Calendar File product is a service from Oslo Børs where listed issuers' financial calendar information is distributed via SFTP regularly throughout the day.

1.1 PURPOSE

This is a document aimed at the client-side system developers to provide the necessary information for implementing a system for receiving financial calendar information.

1.2 DISTRIBUTION

Financial calendar files are updated every 20 minutes throughout the day. The complete file of upcoming events is delivered every time.

1.3 NOTIFICATION POLICY

- Major changes - three months
- Minor changes - one month
- Addition of new fields in the xml-files – one week

2 FILE SPECIFICATION

The Financial Calendar File is delivered in XML-format together with a corresponding XSD-file.
