Change log

This document can be updated at any time, and has been through the following iterations:

Issue	Date	Description
1.0	06.11.2014	Initial release

Please note that only the latest issue of this document will be available from the Oslo Børs website.

Content

1.   Introduction

The Financial Calendar File product is a service from Oslo Børs where listed issuers' financial calendar information is distributed via FTP/SFTP regularly throughout the day.

1.1   Purpose

This is a document aimed at the client side system developer to provide the necessary information for implementing a client system for receiving financial calendar information.

1.2   Support, calendar and core hours

Financial calendar files are updated every 20 minutes throughout the day. The complete file of upcoming events is delivered every time.

Oslo Børs provides a manned technical services desk in the hours specified below, excluding exchange holidays, unless advised otherwise.

Personnel and queries covered	Hours (CET)	Telephone	E-mail
Technical support and operational issues	07:00-21:00	+47 22 34 19 90	technicalsupport@oslobors.no
Product and commercial issues	07:30-18:30	+47 22 34 18 02	products@oslobors.no

1.3   Notification policy

- Major changes – three months
- Minor changes – one month
- Bug fixes – as soon as possible if critical and coordinated with major/minor releases where appropriate

2. File specification

The Financial Calendar File is delivered in XML-format together with a corresponding XSD-file.
