The Fees do not include any fees for services necessary for Using the Information Products (including connectivity services), as such services are provided under different agreements or by third parties.

Euronext reserves the right to change the content of the Information Products and Fees in accordance with the terms of the applicable agreement between the Market Data Client and Euronext, and/or the Euronext Subscriber Terms and Conditions.

Euronext does not condition the purchase of Information Products upon additional services, i.e., Information Products are made available unbundled. Such additional services are understood to include the provision of data other than pre- and post- trade transparency data (e.g., ESG data, data analytics).

Note, if the Information is directly or indirectly purchased, the content of such Information may be limited, i.e., may not contain all elements of the Information Product as described in this Schedule.

For more information on how the Fees for Market Data under the scope of MiFIR are set and a more detailed explanation of the cost accounting methodology applied by Euronext N.V. in accordance with article 22 of Commission Delegated Regulation (EU) 2025/1156, please refer to [Market Data Fee Setting Principles](#).

Non-Display Data

Non-Display Data Fees apply once per Market Data Client based on the Client Category applicable to the Market Data Client, per Information Product.

Definitions used:

- Non-Display Trading Activities means the Use of Non-Display Data as part of automated calculations or algorithms that result into trading decisions. This also includes, but is not limited to, Use of Non-Display Data for high frequency trading, automated order or quote generation, smart order routing and trading with manual intervention. It does not include the internal matching of orders.
- Trading Platform means the Use of Non-Display Data for the organisation of a market, irrespective of whether buy-side and sell-side interests are brought together on a bilateral or multilateral basis. This includes Systematic Internalisers (SIs), Multilateral Trading Facilities (MTFs), Organized Trading Facilities (OTFs) or comparable alternative trading systems, dark pools and/or crossing networks.

Client Categories are based on the Use of Non-Display Data by the Market Data Client and are applied per Information Product. The relevant Client Categories are detailed in the below paragraphs of this Information Product Fee Schedule:

1.1 Redistributor

Redistributor means a Market Data Client (including Sub Vendors) that has direct or indirect access to the Information for the sole purpose of Redistributing Information Products and/or any Original Created Works derived thereof.

The Use of Information for Non-Display Trading Activities or for the purpose of operating a Trading Platform is not permitted under the Redistributor Client Categories.

Non-Display Data Fees are charged to following Redistributor Client Categories:

- Standard Redistributor
- Extranet Service Provider (ESP) for the sole purpose of providing ESP Services
- Cooperative Banking Group: applicable to Market Data Clients that meet the Cooperative Banking Group definition
- Hosted Redistributor: applicable to Market Data Clients that meet the Hosted Redistributor definition
- Retail Data Redistributor: applicable to Trading Members that have a membership for and are active on the respective Euronext market and Redistribute Information Products solely to Retail Users. The Redistribution of any Original Created Works is not permitted under this Client Category.

Real-Time Data Redistributor Fees include Delayed Data.

Any Use of Display Data is subject to the relevant Display Data Fees in addition to the Non-Display Data Fees as mentioned in this paragraph.

* It does not include the right to Redistribute Information relating to the FTSEurofirst 100 and the FTSE Eurofirst 80 indices and such other FTSEurofirst indices that may be introduced by Euronext from time to time ("FTSEurofirst Indices").

¹ If a Fee-Liable Circumstance as defined in the EMDA does not apply, the Delayed Redistributor Non-Display Data Fee for such Information Products will not apply, provided that the Market Data Client requests a Fee waiver through the Delayed Data Fee Waiver Application Form.

² Real-Time Redistributor Non-Display Data Fees for a particular Information Product (except for Euronext Power Derivatives) will be reduced by 50% during the first twelve (12) months after the effective date if the Market Data Client and/or its Affiliate(s) did not have a Real-Time Redistributor Non-Display Data Fees for that particular Information Product before. For clarity, this discount does not apply when changing between different levels of depth, between different types of Real-Time Redistributor Non-Display Data Fees (Standard, Network Service Provider, Banking Group, Hosted or Trading Member to Retail) for the same Information Product, between any other Client Category except for Datafeed Recipient.

³ Redistributor Non-Display Data Licence Fees for Euronext GEM/TAH will be reduced by 100% during the first twelve (12) months after the effective date if the Market Data Client and/or its Affiliate(s) did not Use Non-Display Data for the Euronext GEM/TAH Information Product before.

⁴ Real-Time Redistributor Non-Display Data Fees for Euronext Indices will be waived if the Market Data Client and/or its Affiliate(s) only Redistribute such Information in an Open Access environment via a TV Channel, Website or Mobile Application and pay the Display Data Fees for the respective Information Products.

1.2 Standard Financial Institution

Standard Financial Institution means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Trading Non-Display Activities for its Internal Use and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

The Use of Information for the purpose of operating a Trading Platform including internal matching of orders and the Redistribution of Information and/or of Original Created Works is not permitted under the Standard Financial Institution Client Categories.

Any Use of Display Data is subject to the relevant Display Data Fees in addition to the Non-Display Data Fees as mentioned in this paragraph.

Standard Financial Institution Non-Display Data Fees are charged to following Client Categories:

- Standard Financial Institution Enterprise: unlimited Devices
- Standard Financial Institution Category 4: 26-50 Devices
- Standard Financial Institution Category 3: 11-25 Devices
- Standard Financial Institution Category 2: 6-10 Devices
- Standard Financial Institution Category 1: 1-5 Devices

The aggregated entitlement of Devices for the Market Data Client and its Affiliates to Use the relevant Information Product's Non-Display Data at any time during the relevant calendar month determines the Client Category. Note, whenever a Device has the ability to Use the relevant Information Product multiple times simultaneously (i.e., multiple instances entitled per Access ID, also referred to as max count higher than one), each instance should be counted as a Device.

The Market Data Client is solely permitted to subscribe to a Client Category if it can and will provide (auditable) records/ proof of the aggregated entitlement of Devices to Euronext on Euronext's request.

- Standard Financial Institution with Limited Redistribution Category 3: 11-25 Devices
- Standard Financial Institution with Limited Redistribution Category 2: 6-10 Devices
- Standard Financial Institution with Limited Redistribution Category 1: 1-5 Devices

The aggregated entitlement of Devices for the Market Data Client and its Affiliates to Use the relevant Information Product's Non-Display Data at any time during the relevant calendar month determines the Client Category. Note, whenever a Device has the ability to Use the relevant Information Product multiple times simultaneously (i.e., multiple instances entitled per Access ID, also referred to as max count higher than one), each instance should be counted as a Device.

The Market Data Client is solely permitted to subscribe to a Client Category if it can and will provide (auditable) records/ proof of the aggregated entitlement of Devices to Euronext on Euronext's request.

¹ Market Data Clients may apply for a 18% reduction on Standard Financial Institution with Limited Redistribution Non-Display Data Fees when all of the following conditions are cumulatively met: (i) the Market Data Client and/or its Affiliates are active as an SLP or RLP under the Euronext Liquidity Provider Programme on Euronext equities markets, (ii) the Market Data Client and/or its Affiliates have a signed Euronext Liquidity Provider Agreement in place, (iii) the Market Data Client and its Affiliates trade solely on a proprietary basis (own account) and do not carry out broker/agent activity.

² Standard Financial Institution with Limited Redistribution Non-Display Data Fees for Euronext GEM/TAH will be reduced by 100% during the first twelve (12) months after the effective date if the Market Data Client and/or its Affiliate(s) did not Use Non-Display Data for the Euronext GEM/TAH Information Product before.

³ Market Data Clients may apply for a 18% reduction on Standard Financial Institution with Limited Redistribution Non-Display Data Fees when all of the following conditions are cumulatively met: (i) the Market Data Client and/or its Affiliates are active as a Market Maker on the Euronext financial derivatives markets with Market Maker trading volumes that exceed 0 (zero), (ii) the Market Data Client and/or its Affiliates have a signed Market Maker Agreement (MMA) or a Market Maker Scheme (MMS) in place, (iii) the Market Data Client and its Affiliates are enabled to trade solely on a proprietary basis (own account) and do not carry out broker/agent activity.

1.5 Premium Financial Institution

Premium Financial Institution means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Non-Display Trading Activities for its Internal Use and/or for the purpose of systematic internalisation (operating an SI) and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

The Use of Information for the purpose of operating any other Trading Platform and the Redistribution of Information and/or of Original Created Works is not permitted under the Premium Financial Institution Client Categories except for the Redistribution of the prices/quotes from the Market Data Client's SI platform that are (i) derived from the respective Real-Time Data Information Products and (ii) Original Created Works.

Any Use of Display Data is subject to the relevant Display Data Fees in addition to the Non-Display Data Fees as mentioned in this paragraph.

Premium Financial Institution Non-Display Data Fees are charged to following Client Categories:

- Premium Financial Institution Enterprise: unlimited Devices
- Premium Financial Institution Category 4: 26-50 Devices
- Premium Financial Institution Category 3: 11-25 Devices
- Premium Financial Institution Category 2: 6-10 Devices
- Premium Financial Institution Category 1: 1-5 Devices

The aggregated entitlement of Devices for the Market Data Client and its Affiliates to Use the relevant Information Product's Non-Display Data at any time during the relevant calendar month determines the Client Category. Note, whenever a Device has the ability to Use the relevant Information Product multiple times simultaneously (i.e., multiple instances entitled per Access ID, also referred to as max count higher than one), each instance should be counted as a Device.

The Market Data Client is solely permitted to subscribe to a Client Category if it can and will provide (auditable) records/ proof of the aggregated entitlement of Devices to Euronext on Euronext's request.

¹ Market Data Clients may apply for a 10% reduction on Redistributing Premium Financial Institution Non-Display Data Fees when all of the following conditions are cumulatively met: (i) the Market Data Client and/or its Affiliates are active as an SLP or RLP under the Euronext Liquidity Provider Programme on Euronext equities markets, (ii) the Market Data Client and/or its Affiliates have a signed Euronext Liquidity Provider Agreement in place, (iii) the Market Data Client and its Affiliates trade solely on a proprietary basis (own account) and do not carry out broker/agent activity.

² Redistributing Premium Financial Institution Non-Display Data Fees for Euronext GEM/TAH will be reduced by 100% during the first twelve (12) months after the effective date if the Market Data Client and/or its Affiliate(s) did not Use Non-Display Data for the Euronext GEM/TAH Information Product before.

³ Market Data Clients may apply for a 10% reduction on Redistributing Premium Financial Institution Non-Display Data Fees when all of the following conditions are cumulatively met: (i) the Market Data Client and/or its Affiliates are active as a Market Maker on the Euronext financial derivatives markets with Market Maker trading volumes that exceed 0 (zero), (ii) the Market Data Client and/or its Affiliates have a signed Market Maker Agreement (MMA) or a Market Maker Scheme (MMS) in place, (iii) the Market Data Client and its Affiliates are enabled to trade solely on a proprietary basis (own account) and do not carry out broker/agent activity.

1.7 Premium Financial Institution with Limited Redistribution

Premium Financial Institution with Limited Redistribution means a Market Data Client that has direct or indirect access to the Information for the purpose of Non-Display Trading Activities for its Internal Use, operates a Trading Platform and Redistributes Information or any Original Created Works derived thereof either as a Hosted Redistributor or as Retail Data Redistributor and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

Any Use of Display Data is subject to the relevant Display Data Fees in addition to the Non-Display Data Fees as mentioned in this paragraph.

Premium Financial Institution with Limited Redistribution Non-Display Data Fees are charged to following Client Categories:

- Premium Financial Institution with Limited Redistribution Enterprise: unlimited Devices
- Premium Financial Institution with Limited Redistribution Category 4: 26-50 Devices
- Premium Financial Institution with Limited Redistribution Category 3: 11-25 Devices
- Premium Financial Institution with Limited Redistribution Category 2: 6-10 Devices
- Premium Financial Institution with Limited Redistribution Category 1: 1-5 Devices

The aggregated entitlement of Devices for the Market Data Client and its Affiliates to Use the relevant Information Product's Non-Display Data at any time during the relevant calendar month determines the Client Category. Note, whenever a Device has the ability to Use the relevant Information Product multiple times simultaneously (i.e., multiple instances entitled per Access ID, also referred to as max count higher than one), each instance should be counted as a Device.

The Market Data Client is solely permitted to subscribe to a Client Category if it can and will provide (auditable) records/ proof of the aggregated entitlement of Devices to Euronext on Euronext's request.

* In relation to Retail User (Non-Automated), "**Non-Automated**" means the receipt of Information without any automatic update functionality, i.e., where a User must manually request an update of the Information.

¹ Please note, the Natural User Fees will apply to the Internal Use of the respective Information Products by Market Data Clients qualified for Natural User in accordance with the Euronext Market Data Agreement (EMDA), more specifically the EMDA Internal Use Policy. The Natural User Display Data Fees will apply instead of the Standard Display Data Fees.

² It is not permitted to Redistribute a Real-Time Data Information Product in an Open Access environment via a TV Channel, Website or Mobile Application when there is no Open Access Display Fee for that Information Product specified in this Information Product Fee Schedule. Open Access Display Fees apply once per Market Data Client to Redistribute Display Data to an unlimited number of Users subject to Market Data Clients also paying for the relevant Redistributor Non-Display Fees.

³ It is not permitted to Redistribute a Real-Time Data Information Product in an Open Access environment via a TV Channel, Website or Mobile Application when there is no Open Access Display Fee for that Information Product specified in this Information Product Fee Schedule. Open Access Display Fees apply once per Market Data Client to Redistribute Display Data to an unlimited number of Users. Real-Time Redistributor Non-Display Data Fees for Euronext Indices will be waived if the

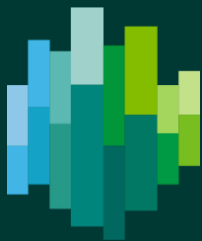

Market Data Client and/or its affiliate(s) only Redistribute such Information in an Open Access environment via a TV Channel, Website or Mobile Application and pay the Open Access Display Data Fees for the respective Information Products.

⁴ The Retail User Fees are capped at €66,000.00 a month, provided that all Retail Users' Use is reported in accordance with the EMDA Redistribution Policy. This cap applies once per Market Data Client and/or once per Hosted Redistributor (i.e. a Hosted Solution), as applicable. This cap does not apply to the Information Products of Euronext Milan or Euronext Group Derivatives.

⁵ The Retail User Fees are capped at a Local Retail User Fee Cap of €34,500* per month in case (i) the Market Data Client or one of its Affiliates is a Member of Euronext Best of Book, (ii) is a Euronext Best of Book Member with an annual retail turnover of more than €5bn on the Euronext Continental Cash Equity markets, the Euronext Dublin Cash Equity markets, the Euronext Lisbon Cash Equity markets and/or the Euronext Oslo Børs Cash Equity markets, (iii) a minimum of 95% of the annual retail flow executed on Euronext by this Euronext Best of Book Member is executed on one single Euronext market (Amsterdam, Brussels, Paris, Lisbon, Dublin or Oslo) and (iv) all Retail Users' Use is reported in accordance with the EMDA Redistribution Policy. This cap applies once to either the Market Data Client or its (one) Affiliate, as applicable. This cap does not apply to the Information Products of Euronext Milan or Euronext Group Derivatives.

⁶ The tiering of the Retail User (Non-Automated) Fees applies per Location Account Number.

⁷ Market Data Clients Using Real-Time Display Data for the purpose of organising a fictional educational trading competition may apply for a fixed monthly Fee of €1,000 per month for Euronext Legacy Retail Cash & Indices Level 1 Data and/or €500 per month for Euronext Milan Retail Cash Level 1 Data in case the following conditions are met: (i) the website/application for the competition does not allow for actual trading and/or order routing decisions to be implemented based on the Real-Time Data nor has actual order entry capabilities i.e. the Real-Time Data is only used to maintain a fictional portfolio, (ii) the fictional trading competition is offered for a limited time with a maximum of 3 (three) months per annum, (iii) the Market Data Client will specify on the competition website/application/platform and in relevant communications that the Real-Time Data is provided by Euronext with name and logo, (iv) all Retail Users' Use is reported in accordance with the EMDA Redistribution Policy and (v) the Market Data Client will seek prior approval from Euronext for the Use of Market Data in such fictional educational trading competition.
