EXECUTIVE SUMMARY

Oslo Børs customers are invited to test the Oslo Børs migration to Optiq® : Order Entry Gateway (OEG) and Matching Engine (ME) on Cash Equities, ETFs and Structured Products Market Segments during the Dress Rehearsal organised in the Production environment on Saturday 31 October 2020 between 11:00 and 16:00 Central European Summer Time (CET).

This Dress Rehearsal will allow Oslo Børs customers to test the target Production implementation of Oslo Børs migrated in Optiq®. **Oslo Børs Customers will not be authorised to take part in the Dress Rehearsal week-end unless they have (i) validated their conformance test, (ii) confirmed Telnet connectivity to Production and (iii) ordered their Order Entry (OE) Sessions for Production.**

Markets will close on the evening of Friday 30 October 2020 and open on Monday 2 November 2020 as usual on the current market platform, without taking the activity of Saturday 31 October 2020 into account. Oslo Børs customers are responsible for purging all market data and order entry data sent and received during any Saturday test.

The following services / markets are out of scope for this rehearsal:

- Tests with CCPs: LCH Ltd, EuroCCP, Six X-Clear
- Oslo Børs Fixed Income market
- Oslo Børs Derivatives market
- Other Saturn services except OBOE

2. CUSTOMER SUPPORT

Customer support is provided as follows:

- On Saturday 31 October 2020, support will be provided by Euronext Market Services (EMS) from 11:00 to 16:00 CET;
- Customers who experience issues during the Dress Rehearsal are invited to contact the Operational Client Services Desk on clientsupport@euronext.com or +33 1 8514 8585 during the week following the dress rehearsal tests.

In the case of questions related to the tests, customers may contact the **Operational Client Services Desk** ahead of the tests and during the Dress Rehearsal by email at clientsupport@euronext.com or EMS by phone at +33 1 8514 8585.

- Real-time events will be posted on the Market Status website during the Dress Rehearsal validation at: www.euronext.com/market-status

3. MAIN PRINCIPLES OF THE TEST

Customers will be notified to connect to the platform via the [Market Status webpage](#).

Upon confirmation of start of test customers should be able to connect to the Euronext OEGs and MDGs for the market segments below:

- Equities
- Funds
- Warrants And Certificates

The sequence for market opening is the following:

- Euronext will start a pre-opening trading session
- As soon as Euronext considers that Cash Equities, ETFs and Structured Products markets are ready to be fully operational, a continuous trading session will be set up on Optiq. Customers are invited to make sure that their internal systems and access means are correctly synchronised with Euronext Optiq.

Euronext would like to make this test as realistic as possible in order to draw the most relevant and useful conclusions, and therefore encourages customers to participate actively by sending orders.

3.1 TRADING DATES DETAILS

The trading date used for the purposes of the test will be Saturday 31 October 2020.

- For all Derivatives and Fixed Income segments: No orders will be present in the book

Euronext invites customers to enter orders as they would do in the Production environment.

MDG Standing data files for Oslo markets will be made available on Saturday 31 October 2020 with the business date of Monday 2 November 2020. Please make sure you do not have any security in place that would prevent to process them.

3.2 PRE-REQUISITES FOR TAKING PART IN THE DRESS REHEARSAL

It is mandatory for any customer expected to take part in the Dress Rehearsal week-end

- 1) To have validated their conformance test,**
- 2) To have confirmed Telnet connectivity to Production and**
- 3) To have ordered their OE Sessions for Production.**

Customers must have a Euronext File Services (EFS) account to access the Pre-Production Optiq Euronext File Services. Customers can request their account by contacting Customer Access Services (CAS):

- Phone: +33 1 85 148 589
- Email: cas@euronext.com

For Saturn users:

it is necessary to request an environment switch EUA to PROD of the current Admin access, in order to set the API access (Creation, IP, certificate) on Prod environment before the Dress Rehearsal.

The Switch web form is available at the following link <https://connect2.euronext.com/fr/form/saturn-environment-switch>

Please note that the EUA standard users (RSA token) in EUA will be automatically switched in PROD for the DR.

4.1 IMPORTANT REMINDERS

During the test, Euronext will not be able to broadcast the real-time Standing data messages over Optiq Market Data twice. Customers who have missed the broadcast of the referential data are requested to use the Optiq Standing Data files made available on the [EFS](#).

Euronext will not consider any requests or potential customer issues encountered on the day of the Production migration if the customer has not taken part in the prior rehearsal tests or EUA validation.

4.2 ROLL-BACK FOR CUSTOMERS' INTERNAL SYSTEMS

Upon completion of the Dress Rehearsal, customers must restore/rollback the order book data in their internal Production systems to the state of Friday 30 October 2020 evening after the end of the trading session. It is very important that customers do NOT synchronise their order book with the data from the **tests** performed on Saturday 31 October 2020.

The Saturday 31 October 2020 session will not be taken into account in the Live/Production environment which will start on Monday 2 November 2020 as usual. Customers are requested to ensure their readiness for the next trading day's activities following any Saturday test.

Customers are responsible for purging all market data and order entry data sent and received during any Saturday test.

4.3 CONTACTS

On Saturday 31 October 2020, Euronext Market Services (EMS) will be available for the Pre-Production support. Questions about the rehearsal (e.g. tests, timelines), associated MDG and EFS changes, can be directed to:
